REPORT OF THE DIRECTOR OF MANAGEMENT COMPANY FOR THE YEAR ENDED JUNE 30, 2015

On behalf of the Board of Directors, I am pleased to present Pakistan Capital Market Fund's accounts review for the year ended June 30th 2015.

ECONOMY AND MONEY MARKET OVERVIEW

Lower oil prices benefited the country in the form of improving macroeconomic indicators during FY15. Average annual inflation remained significantly below the target, foreign exchange reserves improved, Current account deficit narrowed down and GDP growth marginally increased.

As oil prices stood around \$63 per barrels at the end of June, 2015 in the international market, the Brent crude has nearly halved in price since its peak of around \$114 a barrel touched in June, 2014. Hence, on the heels of stable food prices and cut in fuel prices in the domestic market, Consumer Price Inflation averaged around 4.56% in FY15 as opposed to the average inflation of 8.6% in FY14.

While the country's current account deficit summed to \$2.28 billion at the end of FY15 as opposed to deficit of \$ 3.13 billion in FY14. With trade deficit largely unchanged compared to the previous year, improvement in the current account balance came from growth in remittances.

Import bill remained close to the last year's level, as benefit of lower oil bill was annulled by volumetric increase in imports in other segments. Exports remained weak in consideration of disruptive power supplies, weak competitiveness and a weak demand outlook in export destinations particularly Europe. Workers' Remittances totaled to \$ 18.45 billion in FY15, marking a growth of 17 percent as compared to last year.

At the same time, financial account registered a surplus of \$ 4.52 billion as compared to a surplus of \$ 5.55 billion recorded during the last year. This is mainly due to lower Direct Investments and Portfolio investments in the country.

The country's FX reserves got an impetus from multilateral and bilateral disbursements, successful continuation of IMF program, privatization proceeds, Sukuk auction and lower oil bill. The reserves stood at around \$ 18.7 billion at the end of June, increased by around \$4 billion in FY15.

Keeping in view of subsiding inflationary pressure along with improving outlook on the balance of payment, the State Bank announced successive cuts in the discount rate in the monetary policy held in November, January, March and May, bringing the discount rate to 7 percent from 10 percent at the start of the year.

With the country battling with power crisis and poor infrastructure, commitment of \$47 billion in the form of investments in the power and infrastructure sectors by Chinese president in April-2015 is expected to provide an impetus to resource mobilization and economic activity for Pakistan. Pace of progress along with extent of domestic partnerships on key development projects shall however be critical for achieving the desired impact on economy over the next 3 years.

All these positive developments led to the improvement in the country's rating outlook by the international rating agencies. Moody's Investors Service has upgraded Pakistan to the 'B-3' category. While Standard and Poor's (S&P) ratings' agency has raised Pakistan's credit rating to positive, with rating reaffirmed at B-.

M2 has expanded by 12.3 percent during FY15 (till June 26, 2015) as opposed to 11.43% in FY14 with stable contribution from NFA. At the same time, the net borrowing from the banking system increased by Rs 1,001 billion as opposed to Rs 373 billion during the previous year.

Treasury market remained quite active during the year, largely due to declining interest rate scenario stemming from sharp decline in oil prices. Participation largely remained concentrated in longer tenure paper causing strain on short term liquidity which was supported by SBP through frequent OMO injections. In order to efficiently manage market liquidity, SBP introduced a target rate; 50bps below the ceiling rate (Discount rate). Moreover, to reduce volatility, policy makers also reduced the width of the interest rate corridor by 50 bps to 200 bps.

EQUITIES MARKET OVERVIEW

KSE-100 index rose by a decent 16% in FY15 as against an average annual growth of 35% recorded during the past three fiscal years.

Mid and small cap stock remained in the limelight on the back of lower energy cost and commodity price. Index heavy weights i.e. Oil and Gas and Banking sectors remained the main contributors to dismal market performance. Declining trend with high volatility in oil prices didn't allow Oil and Gas sector to perform while attractiveness of banking sector was marred by regular reductions in discount rate causing the net interest margins to shrink.

Monetary easing and low interest rate outlook on the back of lower expected inflation supported the performance of leveraged and high yielding sectors like Fertilizer and Electricity. Cement sector was the beneficiary of both soft raw material cost and lower interest rate. Mid and small cap stocks benefited on account of lower energy cost and commodity prices.

The average turnover stood at around 218 million shares, while foreigners remained buyer with net inflow of around \$39 million. Strong participation in HBL transaction, including a foreign exchange component of \$764 million, reflects the confidence of investors in improving macroeconomic fundamentals.

REPORT OF THE DIRECTOR OF MANAGEMENT COMPANY FOR THE YEAR ENDED JUNE 30, 2015

FUND PERFORMANCE

During the period under review, the fund delivered a return of 31.11% as against its benchmark return of 13.92%. With changes in sector outlook the fund adjusted its sector allocations accordingly. The fund reduced its exposure in Banks and Oil & Gas sectors, while exposure was increased in Automobile sector.

In order to capitalize on declining interest rate scenario during the year, fund reduced its exposure in T-Bills towards the end of the year while exposure towards PIBs was increased slightly. The fund reduced its TFC exposure to 0.5%.

The Net Assets of the Fund as at June 30, 2015 stood at Rs.682 million as compared to Rs. 365 million as at June 30, 2014 registering an increase of 87%.

The Net Asset Value (NAV) per unit as at June 30, 2015 was Rs. 10.55 as compared to opening NAV of Rs. 9.06 per unit as at June 30, 2014 registering an increase of Rs. 1.49 per unit.

Income Distribution

During the period The Management Company has announced the final distribution

Date of distribution	Per unit distribution
	Rs.
June 22, 2015	1.3500

FUTURE OUTLOOK

On the back of weak crude oil prices, average CPI is expected to remain in lower range of around 6% in FY16. Forex Reserves are also expected to remain strong with the continued focus of government on privatization plans. Moreover, the government aims to raise \$1 billion by issuing Eurobond and planning to borrow \$1 billion from Islamic Development Bank (IDB) in FY16. The agreement with China for investment in infrastructure and energy projects is likely to support the weak FDI and shall be the key to rejuvenate economic activity.

Due to subsiding cost pressure, we expect manufacturing sectors, primarily, Auto, Cement and Consumer sectors to outperform the broader market. Moreover, continuation of expansionary environment suggests high-dividend yield companies will continue to perform. While improvement in Pakistan's sovereign outlook and possible reclassification of Pakistan to emerging market by MSCI will support appetite for Large Cap stocks.

Corporate Governance

The Fund is committed to high standards of corporate governance and the Board of Directors of the Management Company is accountable to the unit holders for good corporate governance. Management is continuing to comply with the provisions of best practices set out in the code of corporate governance particularly with regard to independence of non-executive directors. The Fund remains committed to conduct business in line with listing regulations of Lahore Stock Exchange.

The following specific statements are being given to comply with the requirements of the Code of Corporate Governance:

- Financial statements present fairly the statement of affairs, the results of operations, cash flows and Change in unit holders' fund.
- Proper books of accounts of the Fund have been maintained during the year.
- Appropriate accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable prudent judgment.
- Relevant International Accounting Standards, as applicable in Pakistan, provisions of the Non Banking Finance Companies (Establishment & Regulations) Rules, 2003, Non Banking Finance Companies and Notified Entities Regulations, 2008, requirements of the respective Trust Deeds and directives issued by the Securities & Exchange Commission of Pakistan have been followed in the preparation of financial statements.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- There are no significant doubts upon the Fund's ability to continue as going concern.
- There has been no material departure from the best practices of Corporate Governance, as detailed in the listing regulations.
- Key financial data as required by the Code of Corporate Governance has been summarized in the financial statements.
- Outstanding statutory payments on account of taxes, duties, levies and charges, if any have been fully disclosed in the financial statements.

REPORT OF THE DIRECTOR OF MANAGEMENT COMPANY FOR THE YEAR ENDED JUNE 30, 2015

- j. The statement as to the value of investments of provident fund is not applicable on the Fund but applies to the Management Company; hence no disclosure has been made in the Directors' Report of the Management Company.
- k. The detailed pattern of unit holding, as required by NBFC Regulations and the Code of Corporate Governance are enclosed.
- l. The details of attendance of Board of Directors meeting is disclosed in note 20.3 to the attached financial statements. Below is the details of committee meetings held during the year ended June 30, 2015:

1. Meeting of the Audit Committee.

During the year, four (4) meetings of the Audit Committee were held. The attendance of each participant is as follows:

Name of Persons	Number of meetings held	Number of meetings		
		Attendance required	Attended	Leave granted
1 Mr. Haroun Rashid	4	4	2	2

During the year, two (2) meetings of the Human Resource and Remuneration Committee were held. The attendance of each participant is as follows:

Name of Persons	Number of meetings held	Number of meetings		
		Attendance required	Attended	Leave granted
1 Dr. Syed Salman Shah	2	2	2	-
2 Mr. Nasim Beg	2	2	2	-
3 Mr. Ahmed Jahangir	2	2	2	-
4 Mr. Haroun Rashid	2	2	2	-
5 Mr. Yasir Qadri	2	2	2	-

- m. During the year no Director has attended the Directors' Training Program organized by the Pakistan Institute of Corporate Governance (as already all the directors have completed the course or they are exempted from attending training course due to sufficient working experience).
- n. No trades in the Units of the Fund were carried out during the year by Directors, Chief Executive Officer, Chief Operating Officer and Company Secretary, Chief Financial Officer and Chief Internal Auditor of the Management Company and their spouses and minor children.

External Auditors

The fund's external auditors, KPMG Taseer Hadi & Co., Chartered Accountants, have retired after the conclusion of audit for current year. Due to completion of maximum time allowed under offering document of the fund, they are not eligible for reappointment. The audit committee of the Board has recommended appointment of Deloitte Yousuf Adil, Chartered Accountants as auditors of the fund for the year ending June 30, 2016.

Acknowledgment

The Board is thankful to the Fund's valued investors, the Securities and Exchange Commission of Pakistan and the Trustees of the Fund for their continued cooperation and support. The Directors also appreciate the efforts put in by the management team.

For and on behalf of the board

Chief Executive Office
Karachi: August 07, 2015

REPORT OF THE FUND MANAGER FOR THE YEAR ENDED JUNE 30, 2015

Fund Type and Category

Pakistan Capital Market Fund (PCMF) is an Open-End Balanced Scheme

Fund Benchmark

The benchmark for Pakistan Capital Market Fund is 50% KSE 100 Index + 50% 1 Year T-Bill

Investment Objective

The objective of the Fund is to maximize returns available from Pakistan's capital market by investing the Fund Property in equity as well as debt instruments while diversifying the risk within the market.

Investment Strategy

Pakistan Capital Market Fund (PCM) is an open-end balanced fund that invests in a range of asset classes such as equity and debt in Pakistani market. The asset allocation to equities and debt is made on the basis of relative attractiveness of each asset class. The investment process is driven by fundamental research. For equities investment, fundamental outlook of sectors/companies and DCF (Discounted Cash Flow) valuations are the primary factors in sectors' allocation and stock selection. For debt investment, interest rate outlook is the key determining factor and allocation to this segment is increased when the yields are comparatively higher compared to the total returns on equities. Investment is made in corporate bonds (investment grade) and government bonds. Cash is kept in deposits with highly rated banks. PCM is a long only Fund and cannot undertake leveraged investments. Under the NBFC Rules, it is only allowed to borrow up to 15% of net assets for up to 90 days to meet redemption needs.

Manager's Review

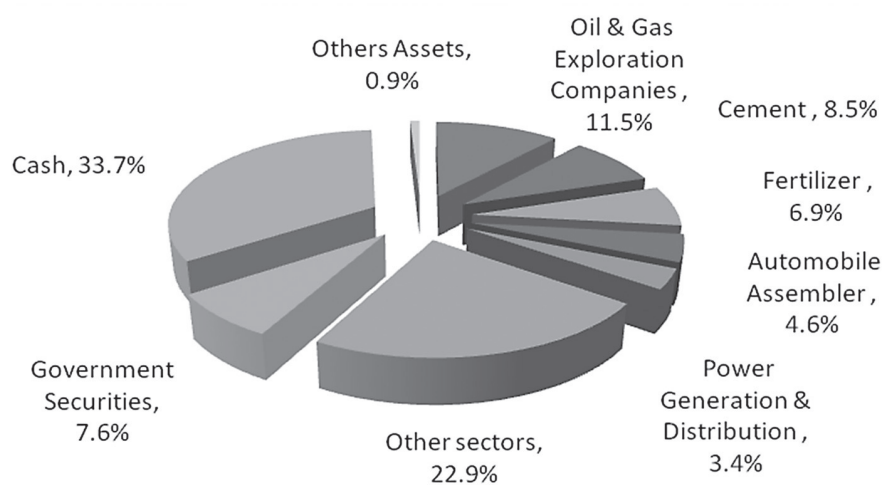

PCM delivered a return of 31.11% vis-à-vis benchmark (50% KSE100+50% 1 Yr T-Bill) return of 13.92% in FY15. Net assets of the fund increased from Rs 365 mn at the beginning of the period to Rs 682 mn at end June 2015. Average equity allocation of the fund comes out to be around 57.3% for the year.

This double-digit growth in performance has helped the local equity market to shine as one of the best performing markets in the world. The volumes remained healthy with an average daily market turnover of around 216 million shares during the year. Smooth political transition, successful political transition, entry into IMF program and foreign inflows helped the stock market climb strongly during the year. In addition, monetary easing in developed countries also played a catalyst as they continued to facilitate the flow of funds towards the developing countries. Moreover, a combination of improving economic indicators, strong inherent bottom line growth and healthy payouts helped keep the investors' interest alive in the stock market. The rally remained broad based, but interest largely remained in Pharmaceuticals, Banks and Automobile sectors.

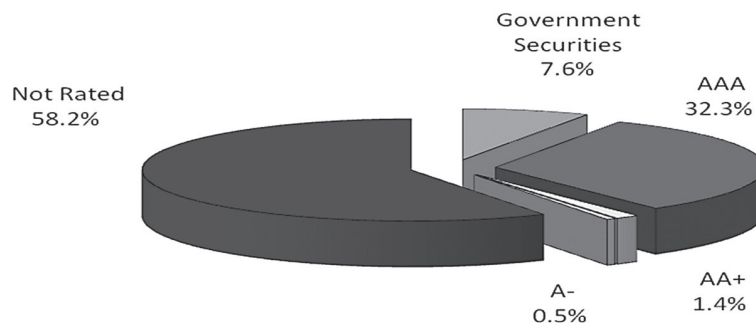

Equity allocation was decreased from 64.4% in June 2014 to 57.3% in June 2015. Over the year, exposure was reduced in Commercial banks, Cement and Power generation and distribution. On the other hand, increased exposure was witnessed in Fertilizers. The fund decreased allocation in TFCs from 8.4% to 0.5% by year end. Cash exposure increased during the year with the year-end exposure of 33.7% from 11% at the beginning of the year.

REPORT OF THE FUND MANAGER FOR THE YEAR ENDED JUNE 30, 2015

Asset Allocation as on June 30, 2015 (% of total assets)

Asset Quality as on June 30, 2015 (% of total assets)

TRUSTEE REPORT TO THE UNIT HOLDERS

PAKISTAN CAPITAL MARKET FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We Central Depository Company of Pakistan Limited, being the Trustee of Pakistan Capital Market Fund (the Fund) are of the opinion that MCB-Arif Habib Savings and Investments Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2015 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Muhammad Hanif Jakhura
Chief/Executive Officer
Central Depository Company of Pakistan Limited

Karachi: October 1, 2015

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2015

This statement is being presented by the Board of Directors of MCB Arif Habib Savings and Investments Limited, the Management Company of Pakistan Capital Market Fund ("the fund") to comply with the Code of Corporate Governance contained in Regulation no.35 of listing regulation of Karachi Stock Exchange Limited, Lahore Stock Exchange Limited and Islamabad Stock Exchange Limited for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

Pakistan Capital Market Fund is an open end mutual fund and is listed at Karachi Stock Exchange Limited, Lahore Stock Exchange Limited and Islamabad Stock Exchange Limited. The Fund, being a unit trust scheme, does not have its own Board of Directors. The Management Company, MCB-Arif Habib Saving and Investment Limited, on behalf of the Fund, has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors on its Board of Directors. At present the Board includes

Category	Names
Independent Directors	1. Dr. Salman Shah 2. Mr. Haroun Rashid 3. Mr. Mirza Mehmood
Executive Directors	1. Mr. Nasim Beg – Executive Vice Chairman 2. Mr. Yasir Qadri – Chief Executive Officer
Non – Executive Directors	1. Mian Mohammad Mansha 2. Mr. Ahmed Jehangir 3. Mr. Samad Habib

The independent directors meet the criteria of independence under clause i (b) of the Code.

2. The Directors have confirmed that none of them is serving as a director in more than seven listed companies, including the Management Company (excluding the listed subsidiaries of listed holding companies, where applicable)
3. All the resident Directors of the Management Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFIs or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. During the period no casual vacancy occurred on the Board of the Management Company
5. The Management Company has prepared a 'Code of Conduct' and has ensured that appropriate steps have been taken to disseminate it throughout the Management Company along with its supporting policies and procedures.
6. The Board has developed vision / mission statement, overall corporate strategy and significant policies of the Management Company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the Chief Executive Officer, other executive and non-executive directors, have been taken by the Board.
8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. No formal Code of Corporate Governance Leadership Skills (CGLS) training was organized for any director as all the directors already possess required training or qualification and experience as required by CCG.
10. The Board of Directors in a resolution passed through circulation on March 30, 2015, appointed Chief Financial Officer and fixed his remuneration and terms and conditions of employment. However, there have been no new appointments of Company Secretary and Head of Internal Audit during the year.
11. The Directors' Report for the year ended June 30, 2015 has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
12. The financial statements were duly endorsed by Chief Executive Officer and Chief Financial Officer of the Management Company before approval of the Board.
13. The Directors, Chief Executive Officer and executives of the Management Company do not hold any interest in the units other than that disclosed in the pattern of unit holding.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2015

14. The Management Company has complied with all the corporate and financial reporting requirements of the Code.
15. The Board has formed an Audit Committee for the Management Company. It comprises of three members, which are non-executive directors and the chairman of the Committee is an independent director.
16. The meetings of the Audit Committee were held at least once every quarter prior to approval of the interim and final results and as required by the Code. The terms of reference of the Committee have been approved by the Board and advised to the Committee for compliance.
17. The Board has formed a Human Resource and Remuneration Committee. It comprises of five members, of whom three are non-executive directors and the chairman of the Committee is an independent director.
18. The Board has set up an effective internal audit function. The Head of Internal Audit is considered suitably qualified and experienced for the purpose and is conversant with the policies and procedures of the Fund and the Management Company.
19. The Board has formulated a mechanism for an annual evaluation of its own performance. The evaluation has been done by the board in the meeting held on August 07, 2015.
20. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold shares / units of the Management Company / Fund. The firm and all its partners are also in compliance with International Federation of Accountants guidelines on code of ethics as adopted by the ICAP.
21. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed International Federation of Accountants guidelines in this regard.
22. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the net assets value of the fund / market price of Management Company's shares, was determined and intimated to directors, employees and the stock exchanges.
23. Material/price sensitive information has been disseminated among all market participants at once through the stock exchanges.
24. We confirm that all other material principles enshrined in the Code have been complied with.

On behalf of the Board

Yasir Qadri
Chief Executive

Karachi: August 07, 2015

REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

KPMG Taseer Hadi & Co.
Chartered Accountants
Sheikh Sultan Trust Building No. 2
Beaumont Road
Karachi, 75530 Pakistan

Telephone + 92 (21) 3568 5847
Fax + 92 (21) 3568 5095
Internet www.kpmg.com.pk

Review report to the Unit holders of Pakistan Capital Market Fund ("the Fund") on the Statement of Compliance with the Code of Corporate Governance

We have reviewed the enclosed Statement of Compliance with the best practices contained in the Code of Corporate Governance ("the Code") prepared by the Board of Directors of MCB-Arif Habib Savings and Investments Limited ("the Management Company") of the Fund for the year ended 30 June 2015 to comply with the requirements of Listing Regulation No. 35 of Karachi, Lahore and Islamabad Stock Exchanges, where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Fund's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

The Code requires the Management Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval of its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Fund's compliance, in all material respects, with the best practices contained in the Code as applicable to the Fund for the year ended 30 June 2015.

Independent Auditors' Report to the Unit Holders

Report on the Financial Statements

We have audited the accompanying financial statements of **Pakistan Capital Market Fund** ("the Fund"), which comprise the statement of assets and liabilities as at 30 June 2015, and the related income statement, statement of comprehensive income, distribution statement, cash flow statement, statement of movement in Unit Holders' Fund for the year ended 30 June 2015, and a summary of significant accounting policies and other explanatory notes.

Management Company's responsibility for the financial statements

Management Company of the Fund is responsible for the preparation and fair presentation of the financial statements in accordance with the requirements of the approved accounting standards as applicable in Pakistan and for such internal control as Management Company determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Fund's affairs as at 30 June 2015, and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

1. LEGAL STATUS AND NATURE OF BUSINESS

Pakistan Capital Market Fund (PCMF) ["the Fund"] was established under a trust deed executed between Arif Habib Investments Limited (AHIL) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee on October 27, 2003. The Investment Adviser of PCMF obtained the requisite license from the Securities and Exchange Commission of Pakistan (SECP) to undertake investment advisory services under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003. Formation of PCMF as a closed-end scheme was authorized by SECP on November 5, 2003.

During the year 2005, the Fund was converted from a closed-end scheme to an open-end scheme. The Fund is listed on all three stock exchanges in Pakistan. The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by SECP. The registered office of the management company is situated at 8th Floor, Techno City Corporate Tower, Hasrat Mohani Road, Karachi, Pakistan.

The Board of Directors have approved that the Fund should be categorised as "Balanced Scheme" as per the Securities and Exchange Commission of Pakistan Circular 7 of 2009 dated 6 March 2009.

Pursuant to the merger of MCB Asset Management Limited and Arif Habib Investment Limited, the name of the Management Company has been changed from Arif Habib Investment Limited to MCB-Arif Habib Savings and Investments Limited.

The fund primarily invests in a mix of listed equity and debt securities, unlisted government securities and secured debt securities, money market transactions and reverse purchase transactions.

The Pakistan Credit Rating Agency (PACRA) Limited has assigned an asset manager of "AM2+" (AM Two Plus) dated April 7, 2015 to the Management Company and long term stability rating of 3-star and short term rating of 4-star to the Fund.

Title to the assets of the Fund is held in the name of Central Depository Company of Pakistan Limited as Trustee of the Fund.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations 2008) and directives issued by the SECP. Wherever, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations 2008 and the said directives differ with the requirements of these standards, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations 2008 and the said directives shall prevail.

The Directors of the asset management company declare that these financial statements give a true and fair view of the Fund.

2.2 Basis of measurement

These financial statements have been prepared on the basis of historical cost convention except that financial assets are maintained at fair value.

2.3 Functional and presentation currency

These financial statements are presented in Pak Rupees which is the functional and presentation currency of the Fund and rounded to the nearest thousand rupees.

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amount of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities which are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of its revision and future periods if the revision affects both current and future periods. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have most significant effect on the amount recognised in the financial statements are as follows:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

Investments stated at fair value and derivative financial instruments

The management company has determined fair value of certain investments by using quotations from active market valuation done by Mutual Fund Association of Pakistan. Fair value estimates are made at a specific point in time, based on market conditions and information about the financial instruments. These estimates are subjective in nature and involve uncertainties and matter of judgments (e.g. valuation, interest rates, etc.) and therefore, cannot be determined with precision.

Other assets

Judgment is also involved in assessing the realisability of the assets balances.

2.5 New accounting standards and IFRS interpretations that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the fund's operations or are not expected to have significant impact on the fund's financial statements other than certain additional disclosures.

Standards / amendments / interpretations	Effective from accounting period beginning on or after
Amendment to IAS 38 'Intangible Assets' and IAS 16 'Property, Plant and Equipment'	1 January 2016
Amendment to IAS 41 'Agriculture' and IAS 16 'Property, Plant and Equipment'	1 January 2016
Amendments to IAS 27 'Separate Financial Statements'	1 January 2016
Amendments to IFRS 10 and IAS 28	1 January 2016
IFRS 10 - Consolidated Financial Statements	1 January 2015
IFRS 11 - Joint Arrangements	1 January 2015
IFRS 12 - Disclosure of Interests in Other Entities	1 January 2015
IFRS 13 - Fair Value Measurement	1 January 2015
Annual improvements 2012-2014 cycle	1 January 2016

Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

IFRS 1 - First Time Adoption of International Financial Reporting Standards
IFRS 9 - Financial Instruments
IFRS 14 - Regulatory Deferral Accounts
IFRS 15 - Revenue from Contracts with Customers

3. SIGNIFICANT ACCOUNTING POLICIES

The following significant accounting policies have been applied in preparation of these financial statement. These accounting policies have been applied consistently to all years presented.

3.1 Financial assets

Financial instruments

The Fund classifies its financial instruments in the following categories:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

a) Financial instruments as 'at fair value through profit or loss'

An instrument is classified as 'at fair value through profit or loss' if it is held-for-trading or is designated as such upon initial recognition. Financial instruments are designated as 'at fair value through profit or loss' if the Fund manages such investments and makes purchase and sale decisions based on their fair value in accordance with the Fund's documented risk management or investment strategy. Financial assets which are acquired principally for the purpose of generating profit from short term price fluctuation or are part of the portfolio in which there is recent actual pattern of short term profit taking are classified as held for trading or a derivative. Financial instruments as 'at fair value through profit or loss' are measured at fair value and changes therein are recognised in the Income Statement.

All derivatives in a net receivable position (positive fair value), are reported as financial assets held for trading. All derivatives in a net payable position (negative fair value), are reported as financial liabilities held for trading.

b) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market, other than those classified by the Fund as 'at fair value through profit or loss' or 'available for sale'.

c) 'Available-for-sale'

'Available for sale' financial assets are non-derivative that are either designated in this category or not classified in any other category.

d) Financial liabilities

Financial liabilities, other than those as 'at fair value through profit or loss', are measured at amortised cost using the effective yield method.

Recognition

The Fund recognises financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instruments.

All purchases and sales of securities that require delivery within the time frame established by regulation or market convention such as 'T+2' purchases and sales are recognised at the trade date. Trade date is the date on which the Fund commits to purchase or sell the financial assets.

Financial liabilities are not recognised unless one of the parties has performed its part of the contract or the contract is a derivative contract.

Measurement

Financial instruments are measured initially at fair value (transaction price) plus, in case of a financial instrument not as 'at fair value through profit or loss', transaction costs that are directly attributable to the acquisition or issue of the financial instruments. Transaction costs on financial instruments 'at fair value through profit or loss' are expensed out immediately.

Subsequent to initial recognition, financial instruments classified as 'at fair value through profit or loss' and 'available for sale' are measured at fair value. Gains or losses arising from changes in the fair value of the financial assets as 'at fair value through profit or loss' are recognised in the Income Statement. Changes in the fair value of financial instruments classified as 'available-for-sale' are recognised in Unit Holders' Fund until derecognised or impaired, when the accumulated adjustments recognised in Unit Holders' Fund are included in the Income Statement. The financial instruments classified as loans and receivables are subsequently measured at amortised cost less provision for impairment, if any.

Fair value measurement principles

The fair value of a security listed on a stock exchange, local or foreign as the case may be, and derivatives is valued at its last sale price on such exchange on the date on which it is valued or if such exchange is not open on such date, then at its last sale price on the next preceding date on which such exchange was open and if no sale is reported for such date the security is valued at an amount neither higher than the closing ask price nor lower than the closing bid price.

Basis of valuation of quoted equity securities

The investment of the Fund in equity securities is valued on the basis of closing quoted market prices available at the stock exchange.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

Basis of valuation of debt securities

Investment in debt securities are valued at the rates determined and notified by Mutual Funds Association of Pakistan (MUFAP) as per the methodology prescribed by SECP via Circular 1 of 2009, Circular 33 of 2012 and Circular 35 of 2012. The Circulars also specify criteria for application of discretionary discount to yield of any debt security calculated by MUFAP and contain criteria for the provisioning of non-performing debt securities.

Investment in thinly and non-traded debt securities with maturity up to six months are valued at their amortised cost in accordance with the requirements of Circular 1 of 2009 issued by the SECP.

Basis of valuation of government securities

The fair value of the investments in government securities is determined by reference to the quotations obtained from the PKRV sheet on the Reuters page.

Securities under repurchase/ resale agreements

Transactions of purchase under resale (reverse-repo) of marketable and government securities, are entered into at contracted rates for specified periods of time. Securities purchased with a corresponding commitment to resell at a specified future date (reverse-repo) are not recognised in the Statement of Assets and Liabilities. Amounts paid under these agreements are recognised as receivable in respect of reverse repurchase transactions. The difference between purchase and resale price is treated as income from reverse repurchase transactions and accrued over the life of the agreement. All reverse repo transactions are accounted for on the settlement date.

Impairment

Financial assets not carried 'at fair value through profit or loss' are reviewed at each balance sheet date to determine whether there is any indication of impairment. A financial asset is impaired if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of asset and that loss events had an impact on the future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortized cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. Impairment losses are recognised in Income Statement. Any subsequent decrease in impairment loss on debt securities classified as available-for-sale is recognised in Income Statement.

The Board of Directors of the Management Company has formulated a comprehensive policy for making provision against non-performing investments in compliance with Circular 13 of 2009 issued by SECP.

Derecognition

The Fund derecognises a financial asset when the contractual right to the cash flows from the financial assets expires or it transfers the right to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial assets are transferred on in which the Fund neither transfers nor retains substantially all the risks and rewards of ownership and does not retain control of the financial assets.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

3.2 Unit holders' Fund

Unit holders' funds representing the units issued by the Fund, is carried at the net asset value representing the investors' right to a residual interest in the Fund assets.

3.3 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. The sales load is payable to the investment facilitators, distributors and the Management Company. Transaction costs are recorded as the income of the Fund.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption requests during business hours of that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.4 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of income per unit and distribution of income already paid out on redemption.

The Fund records that portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period which pertains to unrealised gains / (losses) held in the unit holder's funds in a separate reserve account and any amount remaining in this reserve account at the end of an accounting period (whether gain or loss) is included in the amount available for distribution to the unit holders. The remaining portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period is recognised in the income statement.

3.5 Provisions

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Net asset value per unit

The net asset value (NAV) per unit, as disclosed on the statement of assets and liabilities, is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.7 Taxation

Current

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income of that year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the Fund's unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of part IV of second schedule to the Income Tax Ordinance, 2001.

Deferred

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax assets on unutilised tax losses to the extent that these will be available for set off against future taxable profits.

However, the Fund has previously availed the tax exemption by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders. Accordingly, no current tax and deferred tax has been recognized in these financial statements.

3.8 Revenue recognition

- Mark-up on term finance certificates, government securities and money market placements are recognised on an accrual basis.
- Discount on purchase of market treasury bills is amortised to income statement using the straight line method.
- Profit on bank deposits is recognised on an accrual basis.
- Gains / (losses) arising on sale of investments are included in the income statement on the date at which the transaction takes place.
- Unrealised capital gains / (losses) arising on valuation of investments classified as financial assets at fair value through profit or loss' and derivatives are included in the income statement in the period in which they arise.
- Dividend income is recognised when the right to receive dividend is established.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

- Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed is recognised when the units are issued and redeemed at the transaction date.

3.9 Expenses

All expenses including management fee, trustee fee and Securities Exchange Commission of Pakistan fee are recognised in the income statement on an accrual basis.

3.10 Cash and cash equivalents

Cash and cash equivalents comprise of deposits and current accounts maintained with banks. Cash equivalents are short term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

3.11 Other assets

Other assets are stated at cost less impairment losses, if any.

3.12 Dividend distributions and appropriations

Dividend distributions and appropriations are recorded in the period in which the distributions and appropriations are approved.

		30 June 2015	30 June 2014

Sindh sales tax payable on management fee	8.2	147	95
Front end load payable		67	23
Legal and professional charges payable		100	-
		<u>1,291</u>	<u>707</u>

8.1 Under the provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Management Company of the Fund is entitled to a remuneration, during the first five years of the Fund, of an amount not exceeding three percent of the average annual net assets of the Fund and thereafter, of an amount equal to two percent of such assets of the Fund. The management company has charged remuneration at the rate of 2% (2014: 2%) per annum of average annual net assets of the Fund. The remuneration is paid to Management Company on monthly basis in arrears.

8.2 Management fee charged during the year is inclusive of 15% (till 30 June 2014: 16%) General Sales Tax levied by the Government of Sindh.

9. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed as per the tariff specified therein based on the daily net assets of the Fund.

Based on the Trust Deed, the tariff structure applicable to the Fund as at 30 June 2015 is as follows:

Amount of Funds Under Management (Average NAV)	Tariff per annum
Upto Rs. 1,000 million	Rs 0.7 million or 0.20% p.a. of NAV, whichever is higher
On an amount exceeding Rs 1,000 million	Rs 2.0 million plus 0.10% p.a. of NAV exceeding Rs 1,000 million

The remuneration is paid to the trustee monthly in arrears.

10. PAYABLE TO SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

Under the provisions of the Non-Banking Finance Companies Regulations, a collective investment scheme categorised as 'Balanced Scheme' is required to pay as annual fee to the SECP, an amount equal to 0.085 percent of the average annual net assets of the Fund.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

11. ACCRUED EXPENSES AND OTHER LIABILITIES	30 June 2015	30 June 2014
	(Rupees in '000)	
Provision for Federal Excise Duty and related taxes on management fee	11.1 3,109	1,403
Provision for Federal Excise Duty on load	11.1 99	7
Provision for Workers' Welfare Fund	11.2 10,732	7,812
Withholding tax payable (deducted on dividend distribution)	11.3 5,469	-
Withholding tax payable (deducted on capital gains)	11.3 298	-
Brokerage payable	292	332
Auditor's remuneration payable	368	364
Credit rating fee	82	109
Payable to National Clearing Company Limited	20	15
Others	330	333
	20,799	10,375

11.1 The Finance Act 2013 introduced an amendment to Federal Excise Act 2005 where by Federal Excise Duty (FED) has been imposed at the rate of 15% (till 30 June 2014: 16%) of the services rendered by assets management companies. In this regard, a Constitutional Petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the levy of Federal Excise Duty on Asset Management Services after the Eighteenth Amendment. The SHC in its short order of September 2013 directed the FBR not to take any coercive action against the petitioners pursuant to impugned notices till next date of hearing. In view of uncertainty regarding the applicability of FED on asset management services, the management, as a matter of abundant caution, has decided to retain and continue with the provision of FED in these financial statements aggregating to Rs. 1.403 million as at 30 June 2015. In case the suit is decided against the fund the same would be paid to management company, who will be responsible for submitting the same to authorities. Had the said provision of FED not been recorded in the books of account of the Fund, the NAV of the Fund would have been higher by Rs. 0.05 per unit.

11.2 The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a Constitutional Petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending for adjudication.

On 15 July 2010, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) which stated that mutual funds are not liable to contribute to WWF on the basis of their income. However on 14 December 2010, the Ministry filed its response against the Constitutional Petition requesting the court to dismiss the petition. According to the legal counsel who is handling the case, there is a contradiction between the aforementioned clarification issued by the Ministry and the response filed by the Ministry in Court.

During the year ended 30 June 2012, the Honourable Lahore High Court (LHC) in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006 and the Finance Act, 2008 has declared the said amendments as unlawful and unconstitutional and struck them down. In March 2013 a larger bench of the Sindh High Court (SHC) in various constitutional petitions filed by companies other than mutual funds declared that amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act 2008, do not suffer from any constitutional or legal infirmity.

However, as per advice of legal counsel the stay granted to CIS remains intact and the constitution petitions filed by the CIS to challenge the WWF contribution have not been affected by the SHC judgment.

Furthermore, in the Finance Act, 2015, the mutual funds have been excluded from the levy of WWF. As this change has been made in the definition of the term 'Industrial Establishment' as defined in the Workers' Welfare Fund Ordinance, 1971, the change may appear to apply prospectively. Accordingly, the management is of the view that this change is applicable from 01 July 2015. Hence, the matter regarding previous years would either need to be clarified by FBR or would be resolved through courts. The management company, as a matter of abundant precaution, has decided to retain the provision for WWF in these financial statements. Had the said provision of WWF not been recorded in books of accounts of funds, the NAV would be higher by 0.17 per unit.

11.3 Subsequently paid by the Fund to the taxation authorities.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

12. CONTINGENCIES AND COMMITMENTS

There were no contingencies and commitments as at 30 June 2015.

13. AUDITOR'S REMUNERATION

	30 June 2015	30 June 2014
	(Rupees in '000)	
Annual audit fee	263	260
Half yearly review	131	130
Other certifications and services	105	104
Out of pocket expenses	56	40
	555	534

14. TAXATION

The Fund's income is exempt from Income Tax as per clause 99 of part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains whether realised or unrealised is distributed amongst the unit holders. Furthermore, as per regulation 63 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90% of the net accounting income other than capital gains to the unit holders. The management intends to distribute at least 90% of the income earned by the Fund by the year end to the unit holders. The Fund is also exempt from the provision of Section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001. We have been given to Since the management has distributed the income earned by the Fund during the year to the unit holder in the manner as explained above, accordingly, no provision for taxation has been made in these financial statements.

15. EARNINGS / (LOSS) PER UNIT

Earnings per unit has not been disclosed as in the opinion of the management determination of weighted average number of outstanding units for calculating earnings per unit is not practicable.

16. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Related parties / connected persons of the Fund include the Management Company, other collective investment schemes managed by the Management Company, MCB Bank Limited being the holding company of the Management Company, the Trustee, directors and key management personnel, other associated undertakings and unit holders holding more than 10% of net assets of the Fund.

Remuneration payable to the Management Company and the Trustee is determined in accordance with the provision of the NBFC Regulations 2008 and Constitutive documents of the Fund.

The transactions with connected persons / related parties are in the normal course of business and are carried out on agreed terms at contracted rates.

The purchase or sale value has not been treated as transactions with connected persons as the ultimate counter parties are not connected persons.

17. FINANCIAL RISK MANAGEMENT

The Board of Directors of Management Company has overall responsibility for the establishment and oversight of the Fund's risk management framework. The Board is also responsible for developing and monitoring the Fund's risk management policies.

The Fund's risk management policies are established to identify and analyse the risks faced by the Fund, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Fund's activities.

The Fund's activities expose it to a variety of financial risks such as:

- Market risk
- Credit risk and
- Liquidity risk

17.1 Market risk

Market risk is the risk that the fair values or future cash flows of the financial instruments will fluctuate as a result of changes in market interest rates or the market price of securities due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market.

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines and regulations laid down by the Securities and Exchange Commission of Pakistan.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund, at present is not exposed to currency risk as all transactions are carried out in Pak Rupee

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

As at 30 June, details of the interest rate profile of the Fund's interest bearing financial instruments were as follows:

	30 June 2015	30 June 2014
	(Rupees in '000)	
Fixed rate instruments		
Treasury bills	29,954	44,516
Pakistan Investment Bonds	24,639	-
	<u>54,593</u>	<u>44,516</u>
Variable rate instruments		
Term finance certificates	3,736	31,906
	<u>58,329</u>	<u>76,422</u>

(a) Sensitivity analysis for fixed rate instruments

As at 30 June 2015, the Fund holds Treasury Bills which are classified as fair value through profit or loss, exposing the Fund to fair value interest rate risk. In case of 100 basis points increase in rates announced by the Financial Market Association on 30 June 2015, the net income for the year and net assets would be lower by Rs. 0.007 million (2014: Rs. 0.049 million). In case of 100 basis points decrease in rates announced by the Financial Market Association on 30 June 2015, the net income for the year and net assets would be higher by Rs. 0.006 million (2014: Rs. 0.050 million).

As at 30 June 2015, the Fund also holds Pakistan Investment Bonds which are classified as fair value through profit or loss and available for sale, exposing the Fund to fair value interest rate risk. In case of 100 basis points increase in rates announced by the Financial Market Association on 30 June 2015, the net income for the year and net assets would be lower by Rs. 1.49 million (2014: Nil). In case of 100 basis points decrease in rates announced by the Financial Market Association on 30 June 2015, the net income for the year and net assets would be higher by Rs. 1.554 million (2014: Nil).

(b) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based interest bearing Term Finance Certificates exposing the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in KIBOR on 30 June 2015, with all other variables held constant, the net assets of the Fund and net income for the year would have been higher / lower by Rs. 0.007 million (2014: Rs 0.123 million).

The composition of the Fund's investment portfolio, KIBOR rates and rates announced by the Financial Market Association of Pakistan is expected to change over time. Further, in case of variable rate instruments, the sensitivity has been done from the last repricing date. Accordingly, the sensitivity analysis prepared as of 30 June 2015 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

Other price risk

Other price risk is the risk of changes in the fair value of equity securities as the result of changes in the levels of Karachi Stock Exchange (KSE) and other respective market indices and the value of individual shares. The equity price risk exposure arises from the Fund's investments in equity securities. This arises from investments held by the Fund for which prices in the future are uncertain. The Fund's policy is to manage price risk through diversification within specified limits set by internal risk management guidelines.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

The fund is exposed to equity price risk because of investments held by the Fund and classified on the Statement of Assets and Liabilities as financial assets at fair value through profit or loss and as available for sale. To manage its price risk arising from investments in equity securities, the Fund diversifies its portfolio within the eligible stocks prescribed in the trust deed. The Fund's constitutive document / NBFC Regulations also limit individual equity securities to no more than 10% of net assets, or issued capital of the investee company and sector exposure limit to 25% of net assets.

A summary analysis of local investments by industry sector, the percentage in relation to Fund's own net assets and the issued capital of the investee company is presented in note 6.1.1 and 6.2.1.

The table below summarises the sensitivity of the Fund's net assets attributable to unit holders to equity price movements as at 30 June. The analysis is based on the assumption that KSE-100 index increased by 5% and decreased by 5%, with all other variables held constant and that the fair value of the Fund's portfolio of equity securities moved according to their historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the KSE-100 index, having regard to the historical volatility of index of past three years.

At 30 June, the fair value of equity securities exposed to price risk is disclosed in note 6.1.1 and 6.2.1

The impact below arises from the reasonable possible change in the fair value of listed equity securities.

	30 June 2015 (Rupees in '000)	30 June 2014
Effect on income statement, net assets attributable to unit holders and equity investments due to increase / decrease in the KSE-100 index	<u>12,277</u>	<u>12,380</u>

The sensitivity analysis presented is based upon the portfolio composition as at 30 June 2015 and the historical correlation of the securities comprising the portfolio to the index. The composition of the Fund's investment portfolio and the correlation thereof to the KSE and other respective market indices, is expected to change over time. Accordingly, the sensitivity analysis prepared as at 30 June 2015 is not necessarily indicative of the effect on the Fund's net assets attributed to unit holders of future movements in the level of the KSE and other respective market indices.

17.2 Credit risk

Credit risk arises from the inability of the issuers of the instruments, the relevant financial institutions or counter parties in case of reverse re-purchase transactions or other arrangements to fulfil their obligations resulting in financial loss to the Fund. These credit exposures exist within financing relationships, derivatives and other transactions. There is also a risk of default by participants and of failure of the financial markets / stock exchanges, the depositories, the settlements or the central clearing system etc.

The credit risk of the Fund mainly arises from its investment in debt securities. The Fund is also exposed to counterparty credit risk on cash and cash equivalents, deposits and other receivable balances.

Credit risk management

It is the Fund's policy to enter into financial contracts with reputable, diverse and creditworthy counterparties and wherever possible or deemed necessary obtain collaterals in accordance with internal risk management policies and investment guidelines designed for credit risk management. The Investment Committee closely monitors the creditworthiness of the Fund's counterparties by reviewing their credit ratings, financial statements and press releases on a regular basis.

Exposure to credit risk

In summary, compared to the maximum amount included in statement of assets and liabilities, the maximum exposure to credit risk as at 30 June is as follows:

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

	30 June 2015		30 June 2014	
	Statement of Assets and Liabilities	Maximum Exposure	Statement of Assets and Liabilities	Maximum Exposure
	(Rupees in '000)		(Rupees in '000)	
Balance with banks	240,948	240,948	41,664	41,664
Dividend and profit receivable	1,314	666	1,726	1,726
Investments	468,715	3,736	315,979	31,906
Advances and deposits	5,001	4,593	9,770	4,969
Receivable against sale of investment	-	-	9,941	-
	715,978	249,943	379,080	80,265

Difference in the balance as per statement of assets and liabilities and maximum exposure in investment is due to the fact that investment in equity and government securities of Rs. 464.980 million (2014: Rs. 284.073 million) and receivable against sale of investment amounting to Rs. Nil (2014: Rs. 9.941) are not exposed to credit risk.

As on 30 June 2015, none of the financial assets were considered to be past due or impaired except for Rs. 1.434 million as disclosed in note 6.3.

Details of credit rating of balance with banks and deposits as at 30 June are as follows:

	30 June 2015	30 June 2014
	(Percentage holding)	
A1+	99.19%	99.99%
A-1	0.00%	0.01%
Unrated	0.81%	0.00%
	100.00%	100.00%

The analysis below summarises the credit quality of the Fund's investment in term finance certificates as at 30 June:

	30 June 2015	30 June 2014
	(Percentage holding)	
AA	0.00%	18.32%
AA-	0.00%	63.49%
A-	100.00%	0.00%
BBB	0.00%	18.19%
	100.00%	100.00%

Concentration of credit risk

Concentration is the relative sensitivity of the Fund's performance to developments affecting a particular industry or geographical location. Concentration of risks arise when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

Details of the Fund's concentration of credit risk of financial instruments by industrial distribution are as follows:

	30 June 2015		30 June 2014	
	(Rupees in '000)	Percentage	(Rupees in '000)	Percentage
Commercial banks	241,319	96.55%	67,766	84.43%
Others	8,624	3.45%	12,498	15.57%
	249,943	100.00%	80,264	100.00%

Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of an entity to honour its obligations to deliver cash, securities or other assets as contractually agreed.

For the vast majority of transactions the Fund mitigates this risk by conducting settlements through a broker to ensure that a trade is settled only when both parties have fulfilled their contractual settlement obligations.

17.3 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting its obligations arising from its financial liabilities that are settled by delivering cash or other financial assets or that such obligations will have to be settled in a manner disadvantageous to the Funds. Liquidity risk also arises because of the possibility that the Fund could be required to pay its liabilities earlier than expected. The Fund is exposed to cash redemptions of its units on a regular basis. Units are redeemable at the holder's option based on the Fund's applicable redemption price calculated in accordance with the Fund's constitutive documents and guidelines laid down by the Securities and Exchange Commission of Pakistan.

The Fund's policy to managing liquidity is to have sufficient liquidity to meet its liabilities, including estimated redemptions of units as and when due, without incurring undue losses or risking damage to the Fund's reputation.

The Fund has the ability to borrow, with prior approval of trustee, for meeting redemption requests. The maximum amount available to the Fund from borrowings is limited to the extent of 15% of net assets at the time of borrowing with a condition of repayment within 90 days of such borrowings. No such borrowings have arisen during the year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue.

The liquidity position of the Fund is monitored by Fund Manager and Risk and Compliance Department on daily basis.

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2015

18. UNIT HOLDERS'S FUND RISK MANAGEMENT

The Fund's capital is represented by redeemable units. The Fund is required by the NBFC Regulations, 2008, to maintain minimum fund size to Rs. 100 million to be maintained all the time during the life of the scheme. The units issued by the Fund provides an investor with the right to require redemption for cash at a value proportionate to the unit holder's share in the Fund's net assets at the redemption date.

The Fund's objective in managing the unit holders' fund is to ensure a stable base to maximise returns to all investors and to manage liquidity risk arising from redemption. In accordance with the risk management policies, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption, such liquidity being augmented by disposal of investments.

19. FAIR VALUE OF FINANCIAL INSTRUMENTS

Investments on the statement of assets and liabilities are carried at fair value. The Management Company is of the view that the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are essentially short term in nature.

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Quoted market price (unadjusted) in an active market for an identical instrument
- Level 2: Valuation techniques based on observable inputs, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Valuation techniques using significant unobservable inputs.

30 June 2015			
Level 1	Level 2	Level 3
