# SWIFTLY SOLVING YOUR INVESTMENT NEEDS

CALL US AT 0800-62224

SMS ISAVE TO 8622

You live a fast life and what you want is a smooth, fast solution that takes away the tedious trouble of investing and understanding the technicalities involved. You want the flexibility to start small, with minimal risk and the ability to do everything online. That is what iSave does.

## More About iSave:

iSave is Pakistan's First Digital Savings Solution by MCB-Arif Habib Savings and Investments Limited (MCB-AH), a leading Asset Management Company backed by two powerhouses MCB Bank Limited and Arif Habib Corporation Limited.

iSave Swift Account allows you to open your Mutual Funds account with MCB-AH online and kick start your savings journey without the hassle of paperwork while managing your investment portfolio on the go.

## How to open an iSave Swift Account:

Using iSave is as easy as A,B,C. Simply log on to [www.isave.mcbah.com](http://www.isave.mcbah.com) to sign up. Once you are on the web page, here are the simple steps you need to follow:

1

Enter your Email Address, CNIC and Mobile Number.

2

Verify your SMS and Email pins.

3

Enter your personal information and bank details

4

Now simply submit and activate your account through a link on your email

## Benefits of an iSave Account:

1

Open a mutual funds account in 120 seconds

2

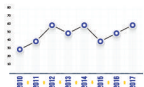

Start investing within minutes

3

Generate your Statement with a click

4

Track your investments anytime, anywhere

5

Lower Deposit Amount, Better returns than Banks

6

Say goodbye to paperwork and branch visits! Just sit back and relax.
